### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This Permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0156 cubic feet per second, or sufficient to water 2500 head of sheep. Actual construction work shall begin on or before August 1, 1932. Proof of commencement of work shall be filed before September 1, 1932. Work must be prosecuted with reasonable diligence and be completed on or before August 1, 1933. Proof of completion of work shall be filed before September 1, 1933. Application of water to beneficial use shall be made on or before August 1, 1935. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 1, 1935.

Map filed Dec. 29, 1927

WITNESS MY HAND AND SEAL this 9th day  
of February, 1932.

Cancelled MAY 14 1936 because of failure of  
applicant to comply with provisions of permit.
